The Benefits of Timely Textbook Purchases

Depending on the class - the bookstore offers many options. In order to take advantage of these options shop early!

- ❖ Bundled books with access codes
- ❖ E-text/access codes (electronic texts)
- ❖ New textbooks
- ❖ Used textbooks
- ❖ Rental textbooks

Why should students purchase textbooks within the first week of class?

- ❖ Academic SUCCESS! Don't get behind in your studies, buy your books promptly!
- ❖ All options available in the TCL Bookstore: Money saving possibilities!
- ❖ Here are a two examples:

Example: MAT 120
Bundle Book w/access code **\$175.00**
E-Text w/access code **\$136.00**

Example: ENG 101
New Book **\$91.90**
Used Book **\$68.95**
Rental Book **\$56.00**

- ❖ The TCL Bookstore keeps all options well stocked; but as the semester progresses, some options may be out of stock.

Why should students try to avoid using trial access codes?

- ❖ Once the trial access expires, the TCL Bookstore purchasing options may have diminished.
- ❖ Limited Options = Student Frustration.

How do students make purchases from the TCL Bookstore?

- ❖ Visit the bookstore on the Beaufort Campus in Building 12.
- ❖ Place an online order at www.tcl.edu/bookstore to have books shipped directly to your home.
